

MV SUNBIRD

WHAT IS IT?

One of Makokola Retreats eye catching features from the shores and treasures all the way from one Lake to another is our very own MV Sunbird. For that little bit extra something special, more luxurious or more unique experience, our MV Sunbird is exactly what you need to add the icing to your getaway.

WHAT CAN ONE DO THERE?

Whether you are looking for a comfortable trip to Cape Maclear to enjoy snorkeling and diving activities or another fun group activity to explore the lake on, the MV Sunbird is what you are looking for to do just that! Furthermore, it can be our one and only overnight and boating experience of the Liwonde National Park. Our MV Sunbird is unique in being the only o fare from here into the Parks waters, with the option of you spending a night on it there.
