General Information

Mlambe, Chichewa for Baobab, is a beautiful golf course located alongside the Retreat and offers nine holes of par three golf. Indigenous vegetation, pretty birds including the Malachite Kingfishers, African Jakanas, Fish Eagles and Lilac Breasted Rollers and an untouched topology create a unique African setting, which is challenging as well as it is beautiful.

Package

For Tee-times and any further information please kindly ask someone at reception. They will gladly assist you.
